| Article Name               | Anti-Desmocollin 2/3 Antibody, Mouse                                                                                                               |
| Biozol Catalog Number      | RAY-188-11042-1                                                                                                                                    |
| Supplier Catalog Number    | 188-11042-1                                                                                                                                        |
| Alternative Catalog Number | RAY-188-11042-1                                                                                                                                    |
| Manufacturer               | RayBiotech                                                                                                                                         |
| Host                       | Mouse                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                  |
| Immunogen                  | A recombinant protein corresponding to the extracellular domain of human Desmocollin 2 was used as the immunogen for the Desmocollin 2/3 antibody. |
| Product Description        | Mouse anti-Human/Mouse/Rat Desmocollin 2/3 Antibody...                                                                                             |
| Concentration              | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced) and 0.05% sodium azide                                                                         |
| NCBI                       | <a href="#">1824</a>                                                                                                                               |
| UniProt                    | <a href="#">Q02487</a>                                                                                                                             |
| Purity                     | Protein G affinity chromatography                                                                                                                  |
| Application Notes          | Western Blotting: 0.5-1ug/ml Immunohistochemistry (FFPE): 1-2ug/ml for 30 min at RT                                                                |
