| Article Name               | Human MMP Array Q1                                                                                                                                   |
| Biozol Catalog Number      | RAY-QAH-MMP-1-2                                                                                                                                      |
| Supplier Catalog Number    | QAH-MMP-1-2                                                                                                                                          |
| Alternative Catalog Number | RAY-QAH-MMP-1-2                                                                                                                                      |
| Manufacturer               | RayBiotech                                                                                                                                           |
| Category                   | Kits/Assays                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                |
| Product Description        | Quantibody Human Matrix Metalloproteinase Antibody Array 1 Kit. Detects 10 Human MMPs. Suitable for all liquid sample types....                      |
| Samples                    | Cell Culture Supernatants, Plasma, Serum, Tissue Lysates, Other Body Fluids, Cell Lysates                                                            |
| Target                     | MMP-1 (MMP1), MMP-9 (MMP9), TIMP-1 (TIMP1), TIMP-2 (TIMP2), MMP-2 (MMP2), MMP-3 (MMP3), MMP-8 (MMP8), MMP-10 (MMP10), MMP-13 (MMP13), TIMP-4 (TIMP4) |
