| Article Name               | Anti-TPCN2 Antibody , Unconjugated, Rabbit, Polyclonal                      |
| Biozol Catalog Number      | ATA-HPA027080                                                               |
| Supplier Catalog Number    | HPA027080                                                                   |
| Alternative Catalog Number | ATA-HPA027080-100,ATA-HPA027080-25                                          |
| Manufacturer               | Atlas Antibodies                                                            |
| Host                       | Rabbit                                                                      |
| Category                   | Antikörper                                                                  |
| Application                | IHC                                                                         |
| Species Reactivity         | Human                                                                       |
| Immunogen                  | Recombinant Protein Epitope Signature Tag (PrEST) antigen sequence          |
| Conjugation                | Unconjugated                                                                |
| Clonality                  | Polyclonal                                                                  |
| NCBI                       | <a href="#">219931</a>                                                      |
| UniProt                    | <a href="#">Q8NHX9</a>                                                      |
| Buffer                     | 40% glycerol and PBS (pH 7.2). 0.02% sodium azide is added as preservative. |
| Purity                     | Affinity purified using the PrEST antigen as affinity ligand                |

|          |                                                                                                                                   |
