## Product Datasheet

### Mouse IgG1 kappa anti-Rat IgM ( $\mu$ ) (MARM-4)-unconj. MinX Ms,Rb (1 mg/ml) SYN-MARM-4-P-0.1

|                            |                                                                               |
|----------------------------|-------------------------------------------------------------------------------|
| Article Name               | Mouse IgG1 kappa anti-Rat IgM ( $\mu$ ) (MARM-4)-unconj. MinX Ms,Rb (1 mg/ml) |
| Biozol Catalog Number      | SYN-MARM-4-P-0.1                                                              |
| Supplier Catalog Number    | MARM-4-P-0.1                                                                  |
| Alternative Catalog Number | SYN-MARM-4-P-0.1                                                              |
| Manufacturer               | Synabs                                                                        |
| Host                       | Mouse                                                                         |
| Category                   | Antikörper                                                                    |
| Application                | ELISA, ELISpot, IA, IAC                                                       |
| Species Reactivity         | Rat                                                                           |
| Conjugation                | Unconjugated                                                                  |
| Format                     | IgG1                                                                          |
| Target Specificity         | IgM ( $\mu$ )                                                                 |
| Cross-Adsorption (MinX)    | Mouse,Rabbit                                                                  |
| Clonality                  | Monoclonal                                                                    |
| Concentration              | 1mg/mL                                                                        |
| Clone Designation          | [MARM-4]                                                                      |
| Isotype                    | IgG1 kappa                                                                    |

|               |                                      |
|---------------|--------------------------------------|
| UniProt       | <a href="#">F1LN61</a>               |
| Buffer        | PBS/0,1%NaN3                         |
| Purity        | Affinity chromatography or Protein G |
| Storage       | -20°C                                |
