| Article Name               | Mouse IgG1 kappa Anti-Rat IgA heavy chain (Biotin) , Clone: [MARA-2], Monoclonal |
| Biozol Catalog Number      | SYN-MARA-2-BIOT-0.5                                                              |
| Supplier Catalog Number    | MARA-2-BIOT-0.5                                                                  |
| Alternative Catalog Number | SYN-MARA-2-BIOT-0.5                                                              |
| Manufacturer               | Synabs                                                                           |
| Host                       | Mouse                                                                            |
| Category                   | Antikörper                                                                       |
| Application                | CS, ELISA, ELISpot, IA, WB                                                       |
| Species Reactivity         | Rat                                                                              |
| Conjugation                | Biotin                                                                           |
| Clonality                  | Monoclonal                                                                       |
| Concentration              | 1mg/mL                                                                           |
| Clone Designation          | [MARA-2]                                                                         |
| Isotype                    | IgG1 kappa                                                                       |
| Buffer                     | PBS/0,1%NaN3/50%glycerol                                                         |
| Purity                     | Affinity chromatography or Protein G                                             |
| Storage                    | -20°C                                                                            |

|               |                          |
|---------------|--------------------------|
| Formula       | PBS/0,1%NaN3/50%glycerol |
| Target        | Rat IgA heavy chain      |
| Antibody Type | Secondary Antibody       |
