## Product Datasheet

### **Mouse IgG1, IgG2 kappa anti-Rat IgG (Fc),IgG1 (Fc),IgG2a (Fc),IgG2b (Fc),IgG2c (Fc) (MARG-COC-1)-unconj. SYN-MARG-COC-1-P-0.5**

|                            |                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------|
| Article Name               | Mouse IgG1, IgG2 kappa anti-Rat IgG (Fc),IgG1 (Fc),IgG2a (Fc),IgG2b (Fc),IgG2c (Fc) (MARG-COC-1)-unconj. |
| Biozol Catalog Number      | SYN-MARG-COC-1-P-0.5                                                                                     |
| Supplier Catalog Number    | MARG-COC-1-P-0.5                                                                                         |
| Alternative Catalog Number | SYN-MARG-COC-1-P-0.5                                                                                     |
| Manufacturer               | Synabs                                                                                                   |
| Host                       | Mouse                                                                                                    |
| Category                   | Antikörper                                                                                               |
| Application                | ELISA, IA                                                                                                |
| Species Reactivity         | Rat                                                                                                      |
| Conjugation                | Unconjugated                                                                                             |
| Format                     | IgG1+IgG2a                                                                                               |
| Target Specificity         | IgG1 (Fc)+IgG2a (Fc)+IgG2b (Fc)+IgG2c (Fc)                                                               |
| Clonality                  | Monoclonal                                                                                               |
| Concentration              | 1mg/mL                                                                                                   |
| Clone Designation          | [MARG-COC-1]                                                                                             |
| Isotype                    | IgG1, IgG2a kappa                                                                                        |
| Buffer                     | PBS/0,1%NaN3                                                                                             |

|               |                                         |
|---------------|-----------------------------------------|
| Purity        | Affinity chromatography or Protein G    |
| Storage       | -20°C                                   |
| Formula       | PBS/0,1%NaN3                            |
| Target        | Rat IgG1,IgG2a,IgG2b, IgG2c heavy chain |
| Antibody Type | Secondary Antibody                      |
