## Product Datasheet

### **Mouse IgM ANTI-DNP Dinitrophenyl hapten Unconjugated , Clone: [MADNP-5], Monoclonal SYN-MADNP-5-P-0.5**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Mouse IgM ANTI-DNP Dinitrophenyl hapten Unconjugated , Clone:<br>[MADNP-5], Monoclonal |
| Biozol Catalog Number      | SYN-MADNP-5-P-0.5                                                                      |
| Supplier Catalog Number    | MADNP-5-P- 0.5                                                                         |
| Alternative Catalog Number | SYN-MADNP-5-P-0.5                                                                      |
| Manufacturer               | Synabs                                                                                 |
| Host                       | Mouse                                                                                  |
| Category                   | Antikörper                                                                             |
| Application                | ELISA, WB                                                                              |
| Species Reactivity         | Mouse                                                                                  |
| Conjugation                | Unconjugated                                                                           |
| Clonality                  | Monoclonal                                                                             |
| Concentration              | 1mg/mL                                                                                 |
| Clone Designation          | [MADNP-5]                                                                              |
| Isotype                    | IgM                                                                                    |
| Buffer                     | PBS/0,1%NaN3                                                                           |
| Purity                     | Affinity chromatography or Protein G                                                   |
| Storage                    | -20°C                                                                                  |

|               |                      |
|---------------|----------------------|
| Formula       | PBS/0,1%NaN3         |
| Target        | Dinitrophenyl hapten |
| Antibody Type | Isotype Control      |
