| Article Name               | Anti-Chicken IgG (Unconjugated), IgG1, Clone: LO-IgY-13               |
| Biozol Catalog Number      | SYN-LO-IGY-13-P-0.5                                                   |
| Supplier Catalog Number    | LO-IgY-13-P-0.5                                                       |
| Alternative Catalog Number | SYN-LO-IGY-13-P-0.5                                                   |
| Manufacturer               | Synabs                                                                |
| Host                       | Rat                                                                   |
| Category                   | Antikörper                                                            |
| Application                | ELISA, WB                                                             |
| Species Reactivity         | Rat                                                                   |
| Concentration              | 1mg/mL                                                                |
| Clone Designation          | LO-IgY-13                                                             |
| Isotype                    | IgG1                                                                  |
| Buffer                     | PBS/0,1%NaN3                                                          |
| Purity                     | Immunoaffinity chromatography (Purification on Mouse anti-Rat column) |
| Storage                    | -20°C                                                                 |
| Formula                    | PBS/0,1%NaN3                                                          |
| Target                     | Chicken IgG (named IgY)                                               |
