## Product Datasheet

### Recombinant Human IL1R2 protein, His-tagged CRM-IL1R2-2200H

|                            |                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Human IL1R2 protein, His-tagged                                                                                        |
| Biozol Catalog Number      | CRM-IL1R2-2200H                                                                                                                    |
| Supplier Catalog Number    | IL1R2-2200H                                                                                                                        |
| Alternative Catalog Number | CRM-IL1R2-2200H-50                                                                                                                 |
| Manufacturer               | Creative BioMart                                                                                                                   |
| Host                       | Human                                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                                   |
| Molecular Weight           | The protein has a predicted MW of 38.9 kDa. Due to glycosylation, the protein migrates to 55-65 kDa based on Tris-Bis PAGE result. |
| Tag                        | His                                                                                                                                |
| Source                     | Human                                                                                                                              |
| Purity                     | > 95% as determined by Tris-Bis PAGE, > 95% as determined by HPLC                                                                  |
| Application Notes          | For Research Use Only. Not intended for any clinical use.                                                                          |
