## Product Datasheet

### Recombinant Human TXLNA Protein, His-tagged, E. coli CRM-TXLNA-358H

|                            |                                                           |
|----------------------------|-----------------------------------------------------------|
| Article Name               | Recombinant Human TXLNA Protein, His-tagged, E. coli      |
| Biozol Catalog Number      | CRM-TXLNA-358H                                            |
| Supplier Catalog Number    | TXLNA-358H                                                |
| Alternative Catalog Number | CRM-TXLNA-358H-50                                         |
| Manufacturer               | Creative BioMart                                          |
| Host                       | E. coli                                                   |
| Category                   | Proteine/Peptide                                          |
| Molecular Weight           | The protein has a calculated MW of 20 kDa.                |
| Tag                        | His                                                       |
| Source                     | Human                                                     |
| Purity                     | > 90 % as determined by SDS-PAGE.                         |
| Application Notes          | For Research Use Only. Not intended for any clinical use. |
