| Article Name               | FITC Anti-Mouse CD49d Antibody[R1-2], Rat, Monoclonal                                       |
| Biozol Catalog Number      | ELA-AN00422UC                                                                               |
| Supplier Catalog Number    | AN00422UC                                                                                   |
| Alternative Catalog Number | ELA-AN00422UC-100UG,ELA-AN00422UC-25UG                                                      |
| Manufacturer               | Elabscience                                                                                 |
| Host                       | Rat                                                                                         |
| Category                   | Antikörper                                                                                  |
| Application                | FC                                                                                          |
| Species Reactivity         | Mouse                                                                                       |
| Conjugation                | FITC                                                                                        |
| Clonality                  | Monoclonal                                                                                  |
| Concentration              | 0.5 mg/mL                                                                                   |
| Clone Designation          | [R1-2]                                                                                      |
| NCBI                       | <a href="#">16401</a>                                                                       |
| UniProt                    | <a href="#">Q00651</a>                                                                      |
| Buffer                     | Phosphate buffered solution, pH 7.2, containing 0.09% stabilizer and 1% protein protectant. |
| Target                     | CD49d                                                                                       |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | <p>Each lot of this antibody is quality control tested by flow cytometric analysis. The amount of the reagent is suggested to be used 5 <math>\mu</math>L of antibody per test (million cells in 100 <math>\mu</math>L staining volume or per 100 <math>\mu</math>L of whole blood). Please check your vial before the experiment. Since applications vary, the appropriate dilutions must be determined for individual use.</p> |
