## Product Datasheet

### **Recombinant Phospho-ULK1 (Ser757) Monoclonal Antibody, Clone: [1F11], Unconjugated, Rabbit ELA-AN300659L**

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Phospho-ULK1 (Ser757) Monoclonal Antibody, Clone:<br>[1F11], Unconjugated, Rabbit |
| Biozol Catalog Number      | ELA-AN300659L                                                                                 |
| Supplier Catalog Number    | AN300659L                                                                                     |
| Alternative Catalog Number | ELA-AN300659L-100UL,ELA-AN300659L-50UL                                                        |
| Manufacturer               | Elabscience                                                                                   |
| Host                       | Rabbit                                                                                        |
| Category                   | Antikörper                                                                                    |
| Application                | WB                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                             |
| Immunogen                  | A synthetic peptide corresponding to residues around (Ser757) of<br>Human Phospho-ULK1        |
| Conjugation                | Unconjugated                                                                                  |
| Clonality                  | Monoclonal                                                                                    |
| Concentration              | 0.2 mg/mL                                                                                     |
| Clone Designation          | [1F11]                                                                                        |
| Molecular Weight           | calculated mw: 113 kDa. observedmw: 150 kDa                                                   |
| UniProt                    | <a href="#">O75385</a>                                                                        |

|                    |                                                                 |
|--------------------|-----------------------------------------------------------------|
| Buffer             | PBS, 50% glycerol, 0.05% Proclin 300, 0.05% protein protectant. |
| Target             | ULK1                                                            |
| Application Dilute | WB 1:2000-1:10000,                                              |
