## Product Datasheet

**NT-HspB4, Custom-Peptide, at 95% purity each, Preis auf Anfrage  
(Custom)Peptid name: NT-HspB4- sequence: MDVTIQHPWFKR (12aa)- C  
terminus modification: amidation- N terminus modification: none-  
solubility test: required, ideally water-soluble- amount: (&g  
BIS-BSV-CUS-PEP-06/DEALID33028812604**

|                            |                                                                                                                                                                                                                                                                         |
