## Product Datasheet

### **Glp-Pro-Val-pNA (Human Granulocyte Elastase Substrate, colorimetric) ECH-871-19**

|                            |                                                                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Glp-Pro-Val-pNA (Human Granulocyte Elastase Substrate, colorimetric)                                                                                   |
| Biozol Catalog Number      | ECH-871-19                                                                                                                                             |
| Supplier Catalog Number    | 871-19                                                                                                                                                 |
| Alternative Catalog Number | ECH-871-19-10MG, ECH-871-19-25MG                                                                                                                       |
| Manufacturer               | Echelon Biosciences                                                                                                                                    |
| Category                   | Molekularbiologie                                                                                                                                      |
| Product Description        | Molecular Weight: 445.19 Salt Form: N/A Purity: >96% Sequence (3-letter): Glp-Pro-Val-pNA Sequence (1-letter): (Glp)PV-pNA Storage: -20 °C or below... |
| Application Notes          | Categories: Peptides. Related: Enzyme Substrates. Ship 1 : Shipping Temp. Ship 2: Ambient Temperature                                                  |
