## Product Datasheet

### Calmodulin Dependent Protein Kinase Substrate ECH-890-81

|                            |                                                                                                                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Calmodulin Dependent Protein Kinase Substrate                                                                                                                                                                   |
| Biozol Catalog Number      | ECH-890-81                                                                                                                                                                                                      |
| Supplier Catalog Number    | 890-81                                                                                                                                                                                                          |
| Alternative Catalog Number | ECH-890-81-5MG                                                                                                                                                                                                  |
| Manufacturer               | Echelon Biosciences                                                                                                                                                                                             |
| Category                   | Molekularbiologie                                                                                                                                                                                               |
| Product Description        | Molecular Weight: 1044.59 Salt Form: TFA Purity: >96% Sequence (3-letter): Pro-Leu-Ser-Arg-Thr-Leu-Ser-Val-Ser-Ser-NH <sub>2</sub> Sequence (1-letter): PLSRTL SVSS-NH <sub>2</sub> Storage: -20 °C or below... |
| Application Notes          | Categories: Peptides. Related: Enzyme Substrates, Kinase. Ship 1 : Shipping Temp. Ship 2: Ambient Temperature                                                                                                   |
