## Product Datasheet

### MEFV antibody, Unconjugated, Rabbit, Polyclonal GTX01088

|                            |                                                                                                                             |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Article Name               | MEFV antibody, Unconjugated, Rabbit, Polyclonal                                                                             |
| Biozol Catalog Number      | GTX01088                                                                                                                    |
| Supplier Catalog Number    | GTX01088                                                                                                                    |
| Alternative Catalog Number | GTX01088-100                                                                                                                |
| Manufacturer               | GeneTex                                                                                                                     |
| Host                       | Rabbit                                                                                                                      |
| Category                   | Antikörper                                                                                                                  |
| Application                | WB                                                                                                                          |
| Species Reactivity         | Human, Rat                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human MEFV(5-39aa PSDHLLSTLEELVPYDFEKFKFLQNTSVQKEHSR). |
| Conjugation                | Unconjugated                                                                                                                |
| Clonality                  | Polyclonal                                                                                                                  |
| Concentration              | 0.5 mg/ml (Please refer to the vial label for the specific concentration.)                                                  |
| Molecular Weight           | 86                                                                                                                          |
| NCBI                       | <a href="#">4210</a>                                                                                                        |
| UniProt                    | <a href="#">O15553</a>                                                                                                      |

|                   |                                                                                                                               |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Buffer            | 5mg BSA, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Sodium azide.                                            |
| Form              | Liquid                                                                                                                        |
| Application Notes | WB: 0.1-0.5µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
