## Product Datasheet

### Apolipoprotein A1 antibody [mHDL36] (Biotin), IgG2a, Rat, Monoclonal GTX02898-02

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | Apolipoprotein A1 antibody [mHDL36] (Biotin), IgG2a, Rat, Monoclonal       |
| Biozol Catalog Number      | GTX02898-02                                                                |
| Supplier Catalog Number    | GTX02898-02                                                                |
| Alternative Catalog Number | GTX02898-02-250                                                            |
| Manufacturer               | GeneTex                                                                    |
| Host                       | Rat                                                                        |
| Category                   | Antikörper                                                                 |
| Application                | ELISA, WB                                                                  |
| Species Reactivity         | Mouse                                                                      |
| Immunogen                  | Purified mouse apoA1                                                       |
| Conjugation                | Biotin                                                                     |
| Clonality                  | Monoclonal                                                                 |
| Concentration              | 0.5 mg/ml (Please refer to the vial label for the specific concentration.) |
| Clone Designation          | [mHDL36]                                                                   |
| Molecular Weight           | 31                                                                         |
| Isotype                    | IgG2a                                                                      |

|                   |                                                                                                             |
|-------------------|-------------------------------------------------------------------------------------------------------------|
| Sensitivity       | This antibody is able to detect native mouse apolipoprotein A1 (apoA1).                                     |
| NCBI              | <a href="#">11806</a>                                                                                       |
| UniProt           | <a href="#">Q00623</a>                                                                                      |
| Buffer            | PBS, 0.02% Sodium azide.                                                                                    |
| Form              | Liquid                                                                                                      |
| Application Notes | *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
