## Product Datasheet

### Goat Anti-Human kappa light chain antibody, pre-adsorbed (HRP), Polyclonal GTX04129-01

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | Goat Anti-Human kappa light chain antibody, pre-adsorbed (HRP), Polyclonal                             |
| Biozol Catalog Number      | GTX04129-01                                                                                            |
| Supplier Catalog Number    | GTX04129-01                                                                                            |
| Alternative Catalog Number | GTX04129-01-1                                                                                          |
| Manufacturer               | GeneTex                                                                                                |
| Host                       | Goat                                                                                                   |
| Category                   | Antikörper                                                                                             |
| Application                | Activation, ELISA, ELISpot, FC, ICC, IHC-P, IP, Purification, WB                                       |
| Species Reactivity         | Human                                                                                                  |
| Immunogen                  | Pooled antisera from goats hyperimmunized with human kappa light chains                                |
| Conjugation                | HRP                                                                                                    |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | Batch dependent (Please refer to the vial label for the specific concentration.)                       |
| Sensitivity                | Pre-adsorbed with Human &lambda; light chains. May react with &kappa; light chains from other species. |
| Buffer                     | PBS, 50% glycerol, no preservatives.                                                                   |

|                   |                                                                                                                                   |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                            |
| Target            | IgG (kappa light chain)                                                                                                           |
| Application Notes | ELISA: 1:4000-1:8000. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
