| Alternative Catalog Number | GTX106820-100, GTX106820-25                                                                                            |
| Manufacturer               | GeneTex                                                                                                                |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Application                | WB                                                                                                                     |
| Species Reactivity         | Human                                                                                                                  |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human CBFb. The exact sequence is proprietary. |
| Conjugation                | Unconjugated                                                                                                           |
| Clonality                  | Polyclonal                                                                                                             |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                                               |
| Molecular Weight           | 22                                                                                                                     |
| NCBI                       | <a href="#">865</a>                                                                                                    |
| UniProt                    | <a href="#">Q13951</a>                                                                                                 |
| Buffer                     | 0.1M Tris, 0.1M Glycine, 10% Glycerol, 0.01% Thimerosal.                                                               |
| Form                       | Liquid                                                                                                                 |

Application Notes

WB: 1:500-1:3000. \*Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications.
