## Product Datasheet

### CD14 antibody [TÜK4], IgG2a, Unconjugated, Mouse, Monoclonal GTX42421

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | CD14 antibody [TÜK4], IgG2a, Unconjugated, Mouse, Monoclonal                        |
| Biozol Catalog Number      | GTX42421                                                                            |
| Supplier Catalog Number    | GTX42421                                                                            |
| Alternative Catalog Number | GTX42421-100                                                                        |
| Manufacturer               | GeneTex                                                                             |
| Host                       | Mouse                                                                               |
| Category                   | Antikörper                                                                          |
| Application                | ELISA, FC, WB                                                                       |
| Species Reactivity         | Bovine, Camelus, Canine, Feline, Goat, Human, Mink, Porcine, Primate, Rabbit, Sheep |
| Conjugation                | Unconjugated                                                                        |
| Clonality                  | Monoclonal                                                                          |
| Concentration              | 1.0 mg/ml (Please refer to the vial label for the specific concentration.)          |
| Clone Designation          | [TÜK4]                                                                              |
| Molecular Weight           | 40                                                                                  |
| Isotype                    | IgG2a                                                                               |
| NCBI                       | <a href="#">929</a>                                                                 |
| UniProt                    | <a href="#">P08571</a>                                                              |

|                   |                                                                                                                              |
|-------------------|------------------------------------------------------------------------------------------------------------------------------|
| Buffer            | PBS, 0.09% Sodium azide.                                                                                                     |
| Form              | Liquid                                                                                                                       |
| Application Notes | FCM: 1/50-1/200. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
