## Product Datasheet

### Claudin 5 antibody [1G4], IgG1, Unconjugated, Mouse, Monoclonal GTX84681

|                            |                                                                                           |
|----------------------------|-------------------------------------------------------------------------------------------|
| Article Name               | Claudin 5 antibody [1G4], IgG1, Unconjugated, Mouse, Monoclonal                           |
| Biozol Catalog Number      | GTX84681                                                                                  |
| Supplier Catalog Number    | GTX84681                                                                                  |
| Alternative Catalog Number | GTX84681-100                                                                              |
| Manufacturer               | GeneTex                                                                                   |
| Host                       | Mouse                                                                                     |
| Category                   | Antikörper                                                                                |
| Application                | FC, ICC                                                                                   |
| Species Reactivity         | Human                                                                                     |
| Immunogen                  | Full length human recombinant protein of human CLDN5(NP_003268) produced in HEK293T cell. |
| Conjugation                | Unconjugated                                                                              |
| Clonality                  | Monoclonal                                                                                |
| Concentration              | 1 mg/ml (Please refer to the vial label for the specific concentration.)                  |
| Clone Designation          | [1G4]                                                                                     |
| Isotype                    | IgG1                                                                                      |
| NCBI                       | <a href="#">7122</a>                                                                      |
| UniProt                    | <a href="#">O00501</a>                                                                    |
| Buffer                     | PBS, 1% BSA, 50% Glycerol, 0.02% Sodium azide.                                            |

|                   |                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                  |
| Application Notes | FCM: 1:100. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
