| Article Name               | p27 Kip1 antibody, Internal, Unconjugated, Goat, Polyclonal                                                        |
| Biozol Catalog Number      | GTX89392                                                                                                           |
| Supplier Catalog Number    | GTX89392                                                                                                           |
| Alternative Catalog Number | GTX89392-100                                                                                                       |
| Manufacturer               | GeneTex                                                                                                            |
| Host                       | Goat                                                                                                               |
| Category                   | Antikörper                                                                                                         |
| Application                | IHC-P, WB                                                                                                          |
| Species Reactivity         | Human                                                                                                              |
| Immunogen                  | Peptide with sequence C-KRPATDDSSSTQNK, from the internal region of the protein sequence according to NP_004055.1. |
| Conjugation                | Unconjugated                                                                                                       |
| Clonality                  | Polyclonal                                                                                                         |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                        |
| Molecular Weight           | 22                                                                                                                 |
| NCBI                       | <a href="#">1027</a>                                                                                               |
| UniProt                    | <a href="#">P46527</a>                                                                                             |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                 |

| Form              | Liquid                                                                                                                                          |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | WB: 0.1-0.3µg/ml. IHC-P: 5-10µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
