| Article Name               | PAI-1 antibody, Internal, Unconjugated, Goat, Polyclonal                                                            |
| Biozol Catalog Number      | GTX89568                                                                                                            |
| Supplier Catalog Number    | GTX89568                                                                                                            |
| Alternative Catalog Number | GTX89568-100                                                                                                        |
| Manufacturer               | GeneTex                                                                                                             |
| Host                       | Goat                                                                                                                |
| Category                   | Antikörper                                                                                                          |
| Application                | ELISA, IHC-P, WB                                                                                                    |
| Species Reactivity         | Human                                                                                                               |
| Immunogen                  | Peptide with sequence C-GFKIDDKGMAPALRH, from the internal region of the protein sequence according to NP_000593.1. |
| Conjugation                | Unconjugated                                                                                                        |
| Clonality                  | Polyclonal                                                                                                          |
| Concentration              | 0.50 mg/ml (Please refer to the vial label for the specific concentration.)                                         |
| Molecular Weight           | 45                                                                                                                  |
| NCBI                       | <a href="#">5054</a>                                                                                                |
| UniProt                    | <a href="#">P05121</a>                                                                                              |
| Buffer                     | TBS, 0.5% BSA, 0.02% Sodium azide.                                                                                  |

|                   |                                                                                                                                                |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                         |
| Application Notes | WB: 0.1-0.3µg/ml. IHC-P: 4-6µg/ml. *Optimal dilutions/concentrations should be determined by the researcher. Not tested in other applications. |
