| Supplier Catalog Number    | A0503                                                                                                                                                                                                                                                         |
| Alternative Catalog Number | ABB-A0503-100UL, ABB-A0503-20UL                                                                                                                                                                                                                               |
| Manufacturer               | ABclonal                                                                                                                                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, IHC-P, WB                                                                                                                                                                                                                                              |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Synthetic peptide. This information is considered to be commercially sensitive.                                                                                                                                                                               |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | The modification of proteins with ubiquitin is an important cellular mechanism for targeting abnormal or short-lived proteins for degradation. Ubiquitination involves at least three classes of enzymes: ubiquitin-activating enzymes, or E1s, ubiquitin-... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Molecular Weight           | 17kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">7320</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">P63146</a>                                                                                                                                                                                                                                        |

|                    |                                                                                                                                                                                                                                                                                                           |
