## Product Datasheet

### ELISA Kit for Alpha-Crosslaps (aCTx) USC-CEA898MU

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Alpha-Crosslaps (aCTx)                                      |
| Biozol Catalog Number      | USC-CEA898MU                                                              |
| Supplier Catalog Number    | CEA898Mu                                                                  |
| Alternative Catalog Number | USC-CEA898MU-48, USC-CEA898MU-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | Mouse                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 74.07-6000pg/mL                                                           |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 26.39pg/mL |
| UniProt                    | <a href="#">P11087</a>                                                    |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids             |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
