## Product Datasheet

### ELISA Kit for 25-Hydroxyvitamin D3 (HVD3) USC-CEA915GE

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for 25-Hydroxyvitamin D3 (HVD3)                                 |
| Biozol Catalog Number      | USC-CEA915GE                                                              |
| Supplier Catalog Number    | CEA915Ge                                                                  |
| Alternative Catalog Number | USC-CEA915GE-48, USC-CEA915GE-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | All                                                                       |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 2.47-200ng/mL                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.92ng/mL. |
| Samples                    | Serum, plasma and other biological fluids                                 |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
