## Product Datasheet

### **Multiplex Assay Kit for Cortistatin (CORT) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMC393HU**

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Cortistatin (CORT) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMC393HU                                                                             |
| Supplier Catalog Number    | LMC393Hu                                                                                 |
| Alternative Catalog Number | USC-LMC393HU-96                                                                          |
| Manufacturer               | Cloud-Clone                                                                              |
| Category                   | Kits/Assays                                                                              |
| Species Reactivity         | Human                                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                      |
| Range                      | 17.58-18000pg/mL                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.86 pg/mL                |
| UniProt                    | <a href="#">O00230</a>                                                                   |
| Samples                    | Serum, plasma, urine and other biological fluids                                         |
| Application Notes          | FLIA Kit for Antigen Detection.                                                          |
