## Product Datasheet

### ELISA Kit for Cluster Of Differentiation 276 (CD276) USC-SEA781HU

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cluster Of Differentiation 276 (CD276)                        |
| Biozol Catalog Number      | USC-SEA781HU                                                                |
| Supplier Catalog Number    | SEA781Hu                                                                    |
| Alternative Catalog Number | USC-SEA781HU-48, USC-SEA781HU-96                                            |
| Manufacturer               | Cloud-Clone                                                                 |
| Category                   | Kits/Assays                                                                 |
| Species Reactivity         | Human                                                                       |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                         |
| Range                      | 0.312-20ng/mL                                                               |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.113ng/mL   |
| UniProt                    | <a href="#">Q5ZPR3</a>                                                      |
| Samples                    | serum, plasma, tissue homogenates, cell lysates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                    |
