## Product Datasheet

### ELISA Kit for Cardiotrophin 1 (CT1) USC-SEA810RA

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cardiotrophin 1 (CT1)                                         |
| Biozol Catalog Number      | USC-SEA810RA                                                                |
| Supplier Catalog Number    | SEA810Ra                                                                    |
| Alternative Catalog Number | USC-SEA810RA-48, USC-SEA810RA-96                                            |
| Manufacturer               | Cloud-Clone                                                                 |
| Category                   | Kits/Assays                                                                 |
| Species Reactivity         | Rat                                                                         |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                         |
| Range                      | 15.6-1,000pg/mL                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.9pg/mL     |
| UniProt                    | <a href="#">Q63086</a>                                                      |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                    |
