## Product Datasheet

### ELISA Kit for Fibrinogen Beta Chain (FGB) USC-SEB215RA

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Fibrinogen Beta Chain (FGB)                                |
| Biozol Catalog Number      | USC-SEB215RA                                                             |
| Supplier Catalog Number    | SEB215Ra                                                                 |
| Alternative Catalog Number | USC-SEB215RA-48, USC-SEB215RA-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Rat                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 1.56-100ng/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.73ng/mL |
| UniProt                    | <a href="#">P14480</a>                                                   |
| Samples                    | plasma                                                                   |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
