### ELISA Kit for Plasminogen (Plg) USC-SEB236HU

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Plasminogen (Plg)                                                               |
| Biozol Catalog Number      | USC-SEB236HU                                                                                  |
| Supplier Catalog Number    | SEB236Hu                                                                                      |
| Alternative Catalog Number | USC-SEB236HU-48, USC-SEB236HU-96                                                              |
| Manufacturer               | Cloud-Clone                                                                                   |
| Category                   | Kits/Assays                                                                                   |
| Species Reactivity         | Human                                                                                         |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                           |
| Range                      | 0.312-20ng/mL                                                                                 |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.147ng/mL                     |
| UniProt                    | <a href="#">P00747</a>                                                                        |
| Samples                    | Plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                      |
