## Product Datasheet

### ELISA Kit for Glutathione Synthetase (GSS) USC-SED757RA

|                            |                                                                              |
|----------------------------|------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Glutathione Synthetase (GSS)                                   |
| Biozol Catalog Number      | USC-SED757RA                                                                 |
| Supplier Catalog Number    | SED757Ra                                                                     |
| Alternative Catalog Number | USC-SED757RA-48, USC-SED757RA-96                                             |
| Manufacturer               | Cloud-Clone                                                                  |
| Category                   | Kits/Assays                                                                  |
| Species Reactivity         | Rat                                                                          |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                          |
| Range                      | 0.781-50ng/mL                                                                |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.33ng/mL     |
| UniProt                    | <a href="#">P46413</a>                                                       |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates and other biological fluids. |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                     |
