## Product Datasheet

### ELISA Kit for WNT1 Inducible Signaling Pathway Protein 1 (WISP1) USC-SEG895HU

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for WNT1 Inducible Signaling Pathway Protein 1 (WISP1)         |
| Biozol Catalog Number      | USC-SEG895HU                                                             |
| Supplier Catalog Number    | SEG895Hu                                                                 |
| Alternative Catalog Number | USC-SEG895HU-48, USC-SEG895HU-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Human                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 31.2-2,000pg/mL                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 13.3pg/mL |
| UniProt                    | <a href="#">O95388</a>                                                   |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids            |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
