## Product Datasheet

### ELISA Kit for Family With Sequence Similarity 3, Member B (FAM3B) USC-SEL507HU

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Family With Sequence Similarity 3, Member B (FAM3B)         |
| Biozol Catalog Number      | USC-SEL507HU                                                              |
| Supplier Catalog Number    | SEL507Hu                                                                  |
| Alternative Catalog Number | USC-SEL507HU-48, USC-SEL507HU-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | Human                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 0.625-40ng/mL                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.255ng/mL |
| UniProt                    | <a href="#">P58499</a>                                                    |
| Samples                    | Serum, plasma and other biological fluids                                 |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
