## Product Datasheet

### ELISA Kit for Cold Shock Domain Containing Protein E1, RNA Binding (CSDE1) USC-SEM893HU

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cold Shock Domain Containing Protein E1, RNA Binding (CSDE1) |
| Biozol Catalog Number      | USC-SEM893HU                                                               |
| Supplier Catalog Number    | SEM893Hu                                                                   |
| Alternative Catalog Number | USC-SEM893HU-48, USC-SEM893HU-96                                           |
| Manufacturer               | Cloud-Clone                                                                |
| Category                   | Kits/Assays                                                                |
| Species Reactivity         | Human                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                        |
| Range                      | 0.312-20ng/mL                                                              |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.122ng/mL  |
| UniProt                    | <a href="#">O75534</a>                                                     |
| Samples                    | Tissue homogenates, cell lysates and other biological fluids               |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                   |
