| Article Name               | Active Interleukin 17 (IL17)                                                                                       |
| Biozol Catalog Number      | USC-APA063PO61                                                                                                     |
| Supplier Catalog Number    | APA063Po61                                                                                                         |
| Alternative Catalog Number | USC-APA063PO61-10, USC-APA063PO61-50, USC-APA063PO61-100, USC-APA063PO61-200, USC-APA063PO61-500, USC-APA063PO61-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Porcine                                                                                                            |
| Molecular Weight           | Predicted Molecular Mass(KD): 16.5kDa. Accurate Molecular Mass(KD): 16kDa                                          |
| UniProt                    | <a href="#">Q60I29</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 95%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
