| Article Name               | Active Versican (VCAN), E. coli                                                                                        |
| Biozol Catalog Number      | USC-APB817MU01                                                                                                         |
| Supplier Catalog Number    | APB817Mu01                                                                                                             |
| Alternative Catalog Number | USC-APB817MU01-10, USC-APB817MU01-50, USC-APB817MU01-100, USC-APB817MU01-200, USC-APB817MU01-500, USC-APB817MU01-1     |
| Manufacturer               | Cloud-Clone                                                                                                            |
| Host                       | E. coli                                                                                                                |
| Category                   | Proteine/Peptide                                                                                                       |
| Application                | Activity Assay, Cell Culture                                                                                           |
| Species Reactivity         | Mouse                                                                                                                  |
| Molecular Weight           | Predicted Molecular Mass(KD): 31.6kDa. Accurate Molecular Mass(KD): 35kDa(Analysis of differences refer to the manual) |
| UniProt                    | <a href="#">Q62059</a>                                                                                                 |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                                |
| Purity                     | > 95%                                                                                                                  |
| Form                       | Freeze-dried powder                                                                                                    |
