| Article Name               | Active Steroid 5 Alpha Reductase 2 (SRD5a2), E. coli                                                               |
| Biozol Catalog Number      | USC-APM285HU03                                                                                                     |
| Supplier Catalog Number    | APM285Hu03                                                                                                         |
| Alternative Catalog Number | USC-APM285HU03-10, USC-APM285HU03-50, USC-APM285HU03-100, USC-APM285HU03-200, USC-APM285HU03-500, USC-APM285HU03-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 36.2kDa. Accurate Molecular Mass(KD): 37kDa                                          |
| UniProt                    | <a href="#">P31213</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
