## Product Datasheet

### Anti-Beta Catenin (beta-catenin) Monoclonal Antibody, Mouse USC-CAB021HU22

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Beta Catenin (beta-catenin) Monoclonal Antibody, Mouse                                        |
| Biozol Catalog Number      | USC-CAB021HU22                                                                                     |
| Supplier Catalog Number    | CAB021Hu22                                                                                         |
| Alternative Catalog Number | USC-CAB021HU22-20, USC-CAB021HU22-100, USC-CAB021HU22-200, USC-CAB021HU22-1                        |
| Manufacturer               | Cloud-Clone                                                                                        |
| Host                       | Mouse                                                                                              |
| Category                   | Antikörper                                                                                         |
| Species Reactivity         | Human                                                                                              |
| Immunogen                  | RPB021Hu01-Recombinant Beta Catenin (beta-catenin)                                                 |
| UniProt                    | <a href="#">P35222</a>                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.02% NaN <sub>3</sub> , 50% glycerol.                                      |
| Application Dilute         | Western blotting: 0.03-1ug/ml,&lt;br/&gt;Optimal working dilutions must be determined by end user. |
