## Product Datasheet

### Recombinant Serine Palmitoyltransferase, Long Chain Base Subunit 1 (SPTLC1), E. coli USC-RPH138MU01

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Serine Palmitoyltransferase, Long Chain Base Subunit 1 (SPTLC1), E. coli                               |
| Biozol Catalog Number      | USC-RPH138MU01                                                                                                     |
| Supplier Catalog Number    | RPH138Mu01                                                                                                         |
| Alternative Catalog Number | USC-RPH138MU01-10, USC-RPH138MU01-50, USC-RPH138MU01-100, USC-RPH138MU01-200, USC-RPH138MU01-500, USC-RPH138MU01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 40.3kDa. Accurate Molecular Mass(KD): 40kDa                                          |
| Tag                        | N-terminal His Tag                                                                                                 |
| UniProt                    | <a href="#">O35704</a>                                                                                             |
| Buffer                     | 20mM Tris, 150mM NaCl, pH8.0, containing 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose and Proclin300.                |
| Source                     | Prokaryotic expression                                                                                             |
| Expression System          | Prokaryotic expression                                                                                             |

|        |                     |
|--------|---------------------|
| Purity | > 90%               |
| Form   | Freeze-dried powder |
