| Alternative Catalog Number | BSS-BS-19627R-BF750-100                                                                                |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Species Reactivity         | Mouse                                                                                                  |
| Conjugation                | BF750                                                                                                  |
| Product Description        | Synthesizes selenophosphate from selenide and ATP....                                                  |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">22929</a>                                                                                  |
| UniProt                    | <a href="#">P49903</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human SEPHS1                                             |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Target             | SEPHS1                                                                      |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
