| Article Name               | Neuritin Polyclonal Antibody, AbBy Fluor-488 Conjugated, BF488, Rabbit                                                  |
| Biozol Catalog Number      | BSS-BS-2464R-BF488                                                                                                      |
| Supplier Catalog Number    | bs-2464R-BF488                                                                                                          |
| Alternative Catalog Number | BSS-BS-2464R-BF488-100                                                                                                  |
| Manufacturer               | Bioss                                                                                                                   |
| Host                       | Rabbit                                                                                                                  |
| Category                   | Antikörper                                                                                                              |
| Application                | FC, WB                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                       |
| Conjugation                | BF488                                                                                                                   |
| Product Description        | Promotes neurite outgrowth and especially branching of neuritic processes in primary hippocampal and cortical cells.... |
| Clonality                  | Polyclonal                                                                                                              |
| Concentration              | 1ug/ul                                                                                                                  |
| NCBI                       | <a href="#">51299</a>                                                                                                   |
| UniProt                    | <a href="#">Q9NPD7</a>                                                                                                  |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                  |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human Nrn1 |
| Target             | Neuritin                                                 |
| Application Dilute | WB(WB=1:500-2000), FCM(FCM=1ug/Test)                     |
