| Article Name               | Recombinant human GFAP protein, His, Unconjugated                                                                 |
| Biozol Catalog Number      | BSS-BS-42001P                                                                                                     |
| Supplier Catalog Number    | bs-42001P                                                                                                         |
| Alternative Catalog Number | BSS-BS-42001P-20,BSS-BS-42001P-100,BSS-BS-42001P-500                                                              |
| Manufacturer               | Bioss                                                                                                             |
| Category                   | Proteine/Peptide                                                                                                  |
| Species Reactivity         | Other                                                                                                             |
| Conjugation                | Unconjugated                                                                                                      |
| Tag                        | N-His                                                                                                             |
| Buffer                     | 0.01M TBS(pH7.4)                                                                                                  |
| Source                     | Recombinant human GFAP protein is expressed in E.coli with N-His.It contains the amino acid sequence of 1-390/432 |
| Expression System          | E.coli                                                                                                            |
| Purity                     | >90% as determined by SDS-PAGE                                                                                    |
