## Product Datasheet

### Plasmodium falciparum, IgG2a, Unconjugated, Mouse, Monoclonal BSS-BSM-72371M

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Plasmodium falciparum, IgG2a, Unconjugated, Mouse, Monoclonal |
| Biozol Catalog Number      | BSS-BSM-72371M                                                |
| Supplier Catalog Number    | bsm-72371M                                                    |
| Alternative Catalog Number | BSS-BSM-72371M-100                                            |
| Manufacturer               | Bioss                                                         |
| Host                       | Mouse                                                         |
| Category                   | Antikörper                                                    |
| Application                | ELISA                                                         |
| Conjugation                | Unconjugated                                                  |
| Clonality                  | Monoclonal                                                    |
| Concentration              | 100µg/ml                                                      |
| Isotype                    | IgG2a                                                         |
| Buffer                     | PBS (pH 7.2) with 0.1% azide                                  |
| Target                     | Plasmodium falciparum                                         |
| Application Dilute         | ELISA(1:500-1000)                                             |
