## Product Datasheet

### Salmonellae sp., IgG2a, Unconjugated, Mouse, Monoclonal BSS-BSM-72406M

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Article Name               | Salmonellae sp., IgG2a, Unconjugated, Mouse, Monoclonal |
| Biozol Catalog Number      | BSS-BSM-72406M                                          |
| Supplier Catalog Number    | bsm-72406M                                              |
| Alternative Catalog Number | BSS-BSM-72406M-100                                      |
| Manufacturer               | Bioss                                                   |
| Host                       | Mouse                                                   |
| Category                   | Antikörper                                              |
| Application                | ELISA                                                   |
| Conjugation                | Unconjugated                                            |
| Clonality                  | Monoclonal                                              |
| Concentration              | 100µg/ml                                                |
| Isotype                    | IgG2a                                                   |
| Buffer                     | PBS (pH 7.2) with 0.1% azide                            |
| Target                     | Salmonellae sp.                                         |
| Application Dilute         | ELISA(1:500-1000)                                       |
