## Product Datasheet

### Treponema pallidum, IgG2b, Unconjugated, Mouse, Monoclonal BSS-BSM-72443M

|                            |                                                            |
|----------------------------|------------------------------------------------------------|
| Article Name               | Treponema pallidum, IgG2b, Unconjugated, Mouse, Monoclonal |
| Biozol Catalog Number      | BSS-BSM-72443M                                             |
| Supplier Catalog Number    | bsm-72443M                                                 |
| Alternative Catalog Number | BSS-BSM-72443M-100                                         |
| Manufacturer               | Bioss                                                      |
| Host                       | Mouse                                                      |
| Category                   | Antikörper                                                 |
| Application                | ELISA, WB                                                  |
| Conjugation                | Unconjugated                                               |
| Clonality                  | Monoclonal                                                 |
| Concentration              | 100µg/ml                                                   |
| Isotype                    | IgG2b                                                      |
| Buffer                     | PBS (pH 7.2) with 0.1% azide                               |
| Target                     | Treponema pallidum                                         |
| Application Dilute         | WB(1:300-5000), ELISA(1:500-1000)                          |
