| Article Name               | CFC1B Antibody, Rabbit, Polyclonal                                                                                                                    |
| Biozol Catalog Number      | NSJ-F40045-0.08ML                                                                                                                                     |
| Supplier Catalog Number    | F40045-0.08ML                                                                                                                                         |
| Alternative Catalog Number | NSJ-F40045-0.08ML                                                                                                                                     |
| Manufacturer               | NSJ Bioreagents                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                            |
| Application                | ELISA, WB                                                                                                                                             |
| Species Reactivity         | Human                                                                                                                                                 |
| Immunogen                  | A portion of amino acids 20-48 from the human protein was used as the immunogen for this CFC1B antibody.                                              |
| Product Description        | CFC1 is involved in the correct establishment of the left-right axis. It may play a role in mesoderm and/or neural patterning during gastrulation.... |
| Clonality                  | Polyclonal                                                                                                                                            |
| UniProt                    | <a href="#">P0CG36</a>                                                                                                                                |
| Purity                     | Antigen affinity                                                                                                                                      |
| Form                       | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                            |
| Antibody Type              | Primary Antibody                                                                                                                                      |

|                    |                                                                                                                      |
|--------------------|----------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot: 1:1000                                                                                                 |
| Application Notes  | Titration of the CFC1B antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
