| Manufacturer               | NSJ Bioreagents                                                                                                                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | ELISA, WB                                                                                                                                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                                                                                                                                        |
| Immunogen                  | A portion of amino acids 196-225 from the human protein was used as the immunogen for this CD107b antibody.                                                                                                                                                  |
| Product Description        | CD107b is a member of a family of membrane glycoproteins. This glycoprotein provides selectins with carbohydrate ligands. It may play a role in tumor cell metastasis. It may also function in the protection, maintenance, and adhesion of the lysosome.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| UniProt                    | <a href="#">P13473</a>                                                                                                                                                                                                                                       |
| Purity                     | Antigen affinity                                                                                                                                                                                                                                             |
| Form                       | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                                                                                                                   |
| Antibody Type              | Primary Antibody                                                                                                                                                                                                                                             |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot: 1:1000                                                                                                  |
| Application Notes  | Titration of the CD107b antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
