## Product Datasheet

### Mcm2 Antibody, Rabbit, Polyclonal NSJ-F47163-0.08ML

|                            |                                                                                                                                                                |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Mcm2 Antibody, Rabbit, Polyclonal                                                                                                                              |
| Biozol Catalog Number      | NSJ-F47163-0.08ML                                                                                                                                              |
| Supplier Catalog Number    | F47163-0.08ML                                                                                                                                                  |
| Alternative Catalog Number | NSJ-F47163-0.08ML                                                                                                                                              |
| Manufacturer               | NSJ Bioreagents                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                     |
| Application                | ELISA, WB                                                                                                                                                      |
| Species Reactivity         | Mouse                                                                                                                                                          |
| Immunogen                  | A portion of amino acids 713-742 from the mouse protein was used as the immunogen for this Mcm2 antibody.                                                      |
| Product Description        | Mcm2 acts as a factor that allows the DNA to undergo a single round of replication per cell cycle. Required for the entry in S phase and for cell division.... |
| Clonality                  | Polyclonal                                                                                                                                                     |
| UniProt                    | <a href="#">P97310</a>                                                                                                                                         |
| Purity                     | Antigen affinity                                                                                                                                               |
| Form                       | In 1X PBS, pH 7.4, with 0.09% sodium azide                                                                                                                     |
| Antibody Type              | Primary Antibody                                                                                                                                               |

|                    |                                                                                                                     |
|--------------------|---------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot: 1:1000                                                                                                |
| Application Notes  | Titration of the Mcm2 antibody may be required due to differences in protocols and secondary/substrate sensitivity. |
