## Product Datasheet

### **NATIVE Human TRANSFERRIN Protein ASB-OPSA11753**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | NATIVE Human TRANSFERRIN Protein                                           |
| Biozol Catalog Number      | ASB-OPSA11753                                                              |
| Supplier Catalog Number    | OPSA11753                                                                  |
| Alternative Catalog Number | ASB-OPSA11753-100MG                                                        |
| Manufacturer               | Aviva                                                                      |
| Category                   | Proteine/Peptide                                                           |
| Application                | ELISA                                                                      |
| Species Reactivity         | Human                                                                      |
| Product Description        | NATIVE HUMAN TRANSFERRIN...                                                |
| Molecular Weight           | 76-81 kDa under reducing conditions                                        |
| NCBI                       | <a href="#">7018</a>                                                       |
| Purity                     | >90% by SDS-PAGE under reducing conditions and visualised by silver stain. |
| Form                       | Lyophilized                                                                |
